

Login

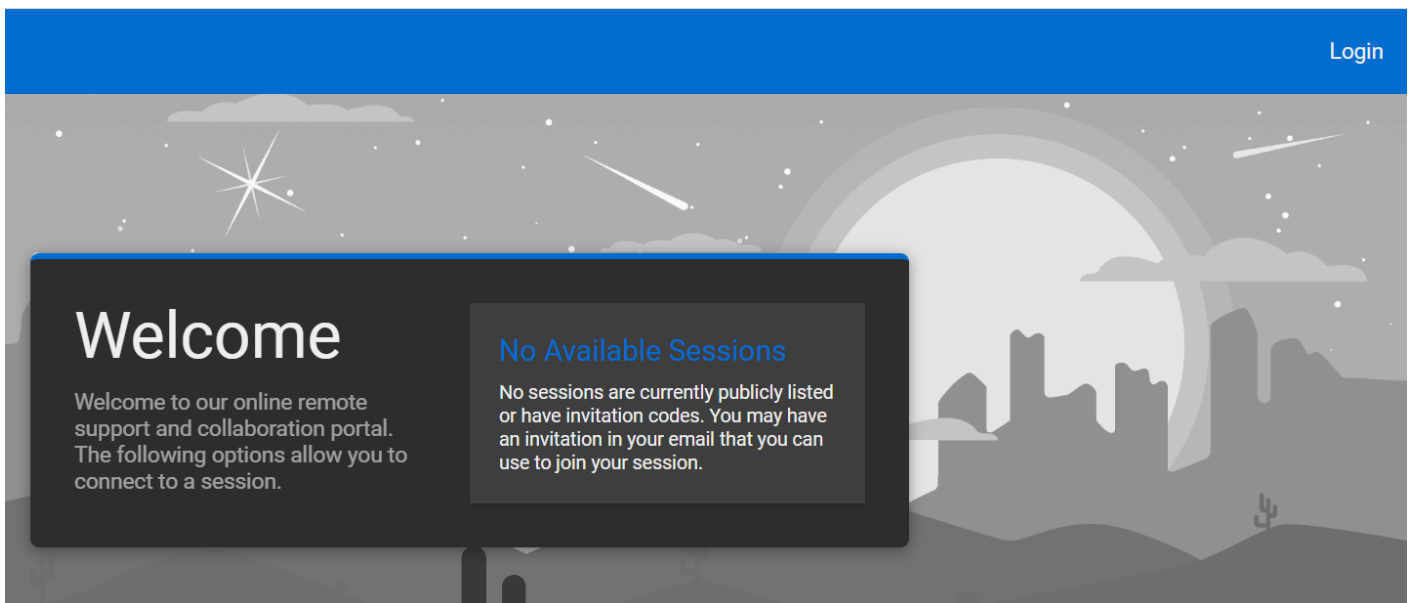

This document will describe the login process for ScreenConnect (aka: Connectwise Control) for the purposes of logging into a pre-defined set of machines. For employee access, this is most often used by working from home.

URL

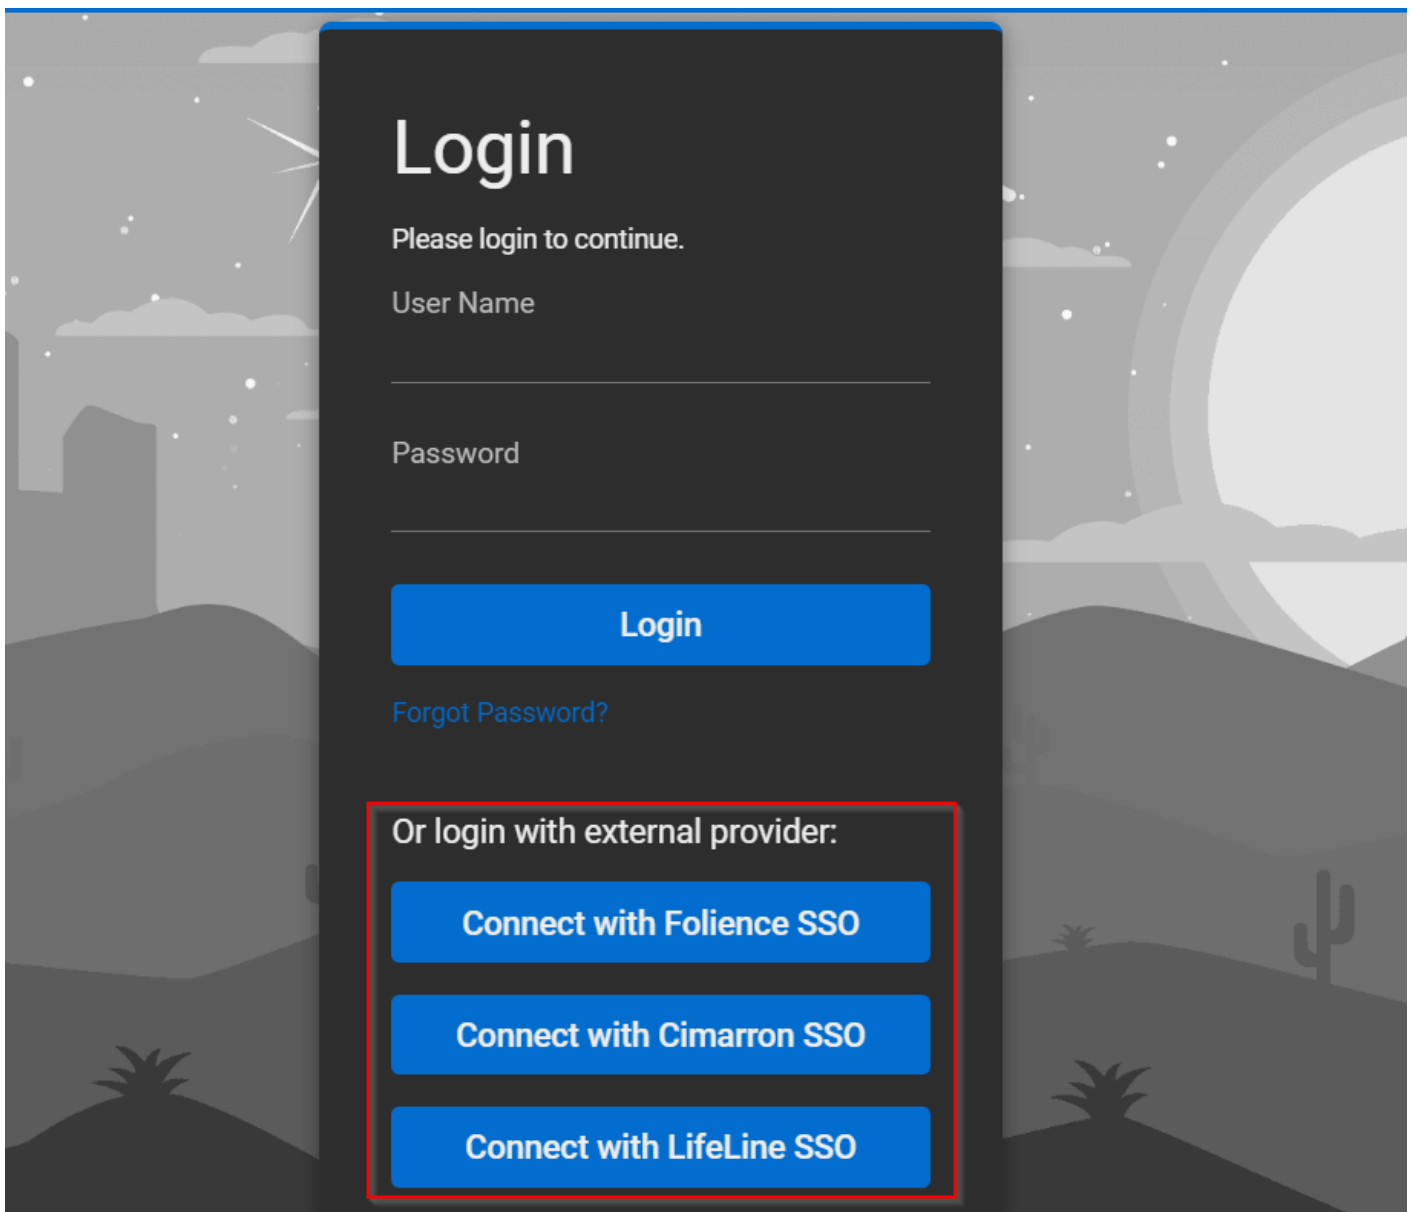

To login to ScreenConnect, you must visit <https://folience.screenconnect.com>

Login

At the top-right corner of the landing page, you will click the "Login" button.

You will login with an external provider of your company.

If not logged into Office365 already, you will need to login with your work email and work password and approve your two-factor authentication. If you are already logged in, you will be automatically logged in.
